36th Newsletter

Tuningen, December 2009

Dear relatives and friends of the Teltschik family!

Certainly everybody recognize our family reunion in Neustadt/Aisch, Germany, which we celebrated on Saturday, June 27th 2009 at Norbert's court estate. Again we would like to thank you Norbert and his whole family for their invitation. There is a photo gallery on our website @ www.teltschik.de. Just click on it! If someone has some more photos of this event, and would like to share it, then please e-mail them to teltschikswg@aol.com. We are happy to add them to our gallery.

In June 2011 (Pentecost) our next big family reunion will proceed in Galveston, Texas. Our Texan friends have already created a wonderful program starting with a 5 day cruise in the Carribean on Saturday, June 11th 2011 and ending with our traditional „Familientag“ on Saturday, June 18th 2011. As a result the plannings are going to a precise phase now and the reservation form with detailed data and pricing will be send out in spring time of next year. In order to conduct final pricing negotiations, our Texan family board asked us for telling them, how many European participants might be anticipated. Thus we have attached a questionnaire to this newsletter, which you please should send back completed **by Sunday, January 10th 2010**. We do know that it is too early for any reservations, since we are not able to tell you any pricing, as well. But we do ask you for telling us your considerations. Furthermore we really would like to know, who is planning to book flights to Texas by themselves, or who wants to book flights together and organized, so that we can hire a travel agency. To this questionnaire you might also add, in what you are interested in particular. We appreciate every question and every advice.

Finally we would like to remind you of our family account. Every donation will be exclusively used for the organization of our reunions. We are so very pleased with any inbound:
